Slow AI: Protect the Pause.

Future of Work

The pause isn't wasted time.
It's the work.

Builders Day

Die nächste Stufe deiner KI-Reise: Raus aus dem Chatfenster, rein in agentische Workflows mit echten Daten und echten Projekten.

Ein Tag. In Peer Groups. Am See. Du gehst mit etwas nach Hause, das du am Montag nutzt.

To iterate:

- Swap quotes / re-photo: edit `build/deck.html`
- Change overlay opacity, type sizes, colors: edit `build/styles.css`
- Re-render: `bash build/build_pdf.sh` (~3 sec)
- Quick visual review: open `build/preview/page-XX.png` for any page

Open the PDF to confirm in Preview, then drag-and-drop into LinkedIn alongside the German post.
